Disclaimer: The provisions of this publication **are not to be regarded as a contract between the student and the University of Maryland.** Changes are effected from time to time in the general regulations and in the academic requirements. There are established procedures for making changes, procedures which protect the institution's integrity and the individual student's interest and welfare. A curriculum or graduation requirement, when altered, is not made retroactive unless the alteration is to the student's advantage and can be accommodated within the span of years normally required for graduation. The university cannot give assurance that all students will be able to take all courses required to complete the academic program of their choice within eight semesters. Additionally, because of space limitations in limited enrollment programs, the university may not be able to offer admission to all qualified students applying to these programs.

When the actions of a student are judged by competent authority, using established procedure, to be detrimental to the interests of the university community, that person may be required to withdraw from the university. (For the complete University of Maryland Code of Student Conduct, see Appendix C.)

Residency Classification: For admission, tuition, and charge differential purposes, students are classified as in-state or out-of-state residents. Residency status is initially determined when a

student's application for admission is being considered. For more information on the guidelines used to determine residency classification see Chapter 1 and Appendix H of this catalog. Questions regarding residency status or petitions for reclassification should be directed to the Residency Classification Office, 1118 Mitchell Building, (301) 405-2030.

Important Information on Fees and Expenses: All students who pre-register incur a financial obligation to the university. Those students who pre-register and subsequently decide not to attend must notify the Registrations Office, 1130A Mitchell Building, in writing, prior to the first day of classes. If this office has not received a request for cancellation by 4:30 p.m. of the last day before classes begin, the university will assume the student plans to attend and accepts his or her financial obligation.

After classes begin, students who wish to terminate their registration must follow the withdrawal procedures and are liable for charges applicable at the time of withdrawal.

State of Maryland legislation has established a State Central Collections Unit, and in accordance with state law, the university is required to turn over all delinquent accounts to it for collection and legal follow-up. This is done automatically on a month-to-month basis by computer read-out.

Collection Costs: Collection costs incurred in collecting delinquent accounts will be charged to the student. The minimum collection fee is 17%, plus any attorney and/or court costs.

Gender Reference: The masculine gender whenever used in this document is intended to include the feminine gender as well.

Smoking Policy: It is hereby established as the policy of the University of Maryland, College Park, to achieve a public environment as close to smoke-free as practicably possible. (See Appendix E of this catalog for the complete "Smoking Policy and Guidelines.")

Disclosure of Information: In accordance with "The Family Educational Rights and Privacy Act of 1974" (P.L. 93-380), popularly referred to as the "Buckley Amendment," disclosure of student information, including financial and academic, is restricted. Release to anyone other than the student requires a written waiver from the student. (For complete university policy on access to and release of student data/information, see Appendix D.)
